Thor Odinson. Steve Rogers. Tony Stark. The Big Three of the Avengers are reunited at last! And just in time to save the world from total annihilation at the hands of their most powerful enemies yet: the 2000-foot-tall space gods known as Celestials.

Behold the coming of the Final Host.

Who will answer the call to assemble for a wild new era of Earth's Mightiest Heroes? Hint: one of them has a flaming skull for a head. And what strange, world-shaking connection exists between the Final Host and Odin's ancient band of Prehistoric Avengers?

INTERVIEW WITH *AVENGERS*
WRITER JASON AARON & ARTIST ED McGUINNESS

What excites you most about this new iteration of AVENGERS?

JASON AARON: Of course it's exciting to have the Big Three back together again, for the first time in years. But this isn't just a book about Steve Rogers, Tony Stark and Thor Odinson. I really love the cast I was able to put together for this series. It's loaded with big, iconic characters, including a few surprises. And every character is there for a very specific reason. And right out of the gate, we are giving these Avengers the biggest, craziest, most impossible challenge they've ever faced. We are very much leaning into that old adage, "And there came a day unlike any other, when Earth's mightiest heroes found themselves united against a common threat." I want every day this book comes out to feel like "a day unlike any other."

ED McGUINNESS: As a comic artist this is the kind of project you dream about being a part of! The roster of this new team is absolutely astounding. Captain America, Thor and Iron Man...the Avengers Big Three. Wow! On top of that, Black Panther, Doctor Strange, Ghost Rider and She Hulk.... there is so much visually to have fun with here it's almost overwhelming.

I think the thing that gets me the most excited though is the team Marvel has assembled. I get to work with Jason Aaron, who in my opinion has such a great understanding of all of these characters. He has a lot of big surprises in store, the key word being big! Jason is spinning an epic story that is really pushing me as an artist and he's making me think of things in all new ways. Mark Morales is a master inker and it's great to be teaming with him again. To top it all off I get to work with one of the best colorists in the business, Justin Ponsor!

Long story short, there's a lot to be excited about for me as an artist and a fan!

How does this story impact the larger Marvel Universe?

JASON: The seeds of the first arc were planted in the MARVEL LEGACY one-shot (remember those Prehistoric Avengers?), and as the story of the Final Host unfolds, it will change a lot of what we think we know about those 2,000-foot-tall, Jack Kirby-birthed space gods the Celestials and their mysterious connection to life on earth. And even beyond that first arc, I want this to be a series that shapes and reflects the entire landscape of the Marvel U. If you only read one Marvel series (not that you ever should read just one Marvel series, but if you did...), this one will take you to every important corner of the Marvel globe and beyond.

ED: This book will affect the Marvel Universe in big ways, but I don't want to give away too much! Stay tuned.

Tell us your most memorable moment while working for Marvel Comics.

JASON: Every moment is memorable. Every day I have the chance to wake up and do this for a living. As long as I'm here, I will never take that for granted.

ED: It's hard to say, as there have been so many cool things I've been blessed to be a part of and so many amazing and talented people I've had the honor of working alongside. Really hard to pin it down to one thing!

INTERVIEW WITH *BLACK PANTHER* WRITER TA-NEHISI COATES & ARTIST DANIEL ACUÑA!

What can readers expect from BLACK PANTHER from the groundwork laid in MARVEL LEGACY #1?

TA-NEHISI COATES: Wakanda going where no Wakandans have ever gone before – or so it seemed. No, seriously, I'm really excited about this new saga for T'Challa. I feel like it will ultimately serve to complete the journey he began at the start of the last volume.

DANIEL ACUÑA: You can all expect…the unexpected!! That aside from Ta-Nehisi's usual genius writing, we will take you, quite literally, where no Panther has gone before! Is this a hint? Yes it is!

How has your comfort level with telling T'Challa's story evolved over the years since you started working on the series?

TA-NEHISI: It's still a challenge – and honestly, may it always be so. But I certainly feel more comfortable with T'Challa's "voice" and with the "voices" of his supporting cast.

How does this story impact the larger Marvel Universe?

TA-NEHISI: We'll have to wait and see now, won't we?

DANIEL: No story involving Panther, especially considering the movie release and its impact on global media and culture, can really be isolated and not have an impact on the Marvel Universe as a whole. That said, I believe it's pretty safe to say T'Challa will be on his own for the time being, and he probably wouldn't like to know it if we told him that, considering what's on the (event) horizon for him!

Tell us your most memorable moment while working for Marvel Comics.

TA-NEHISI: Being in the room pitching this arc and getting feedback from Christopher Priest and Jonathan Hickman. Doesn't get any better.

DANIEL: I'm going to say one, no, two. When I knew I was going to do UNCANNY AVENGERS with Rick Remender, I had a feeling like "This is the moment I've been working for all these years, the moment of truth." And the other would be regarding some specific pages: The scene in SECRET EMPIRE #0 where Steve Rogers reveals himself as Hydra leader in front of everybody, and above all – and this was the most important dramatic moment of them all – in front of the woman who loves him… It was a very emotional issue to draw. I believe I had never worked on an event with a moment that was so significant, so intense...

VENOM #1
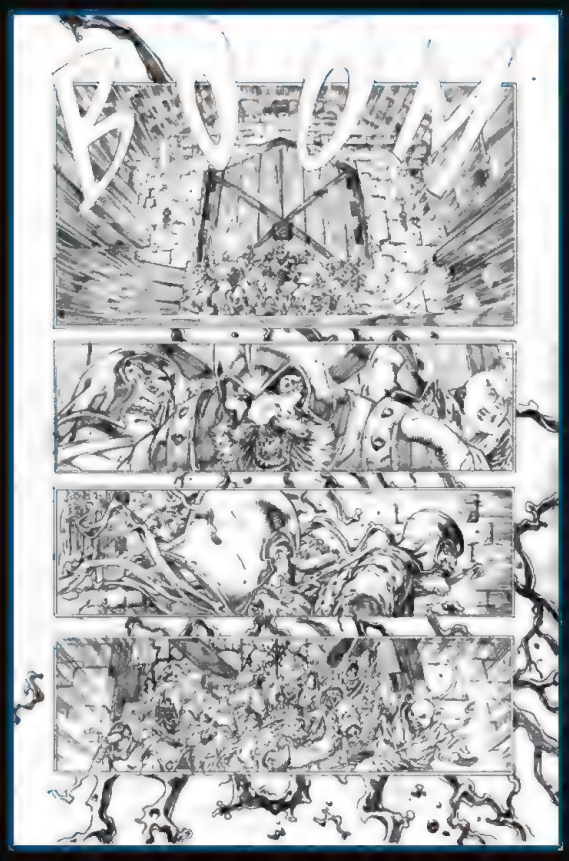
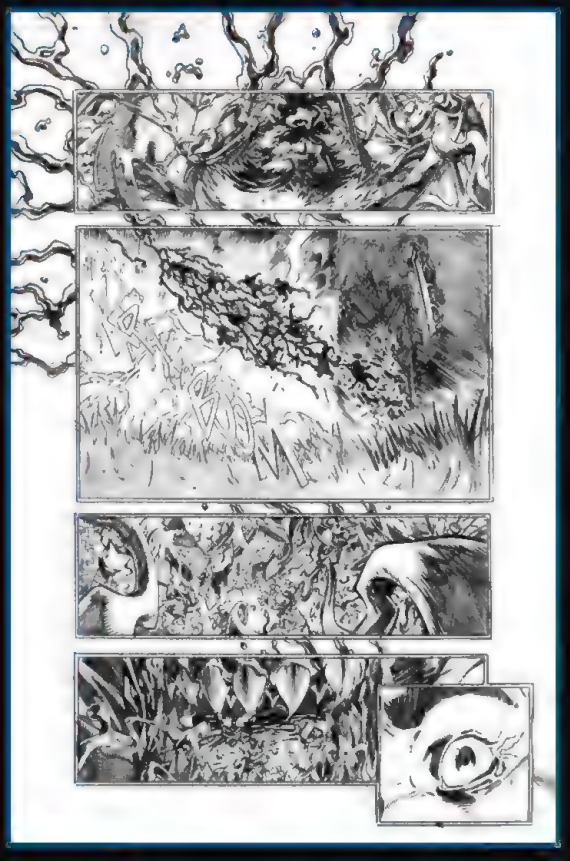
A NEW SERIES BY DONNY CATES & RYAN STEGMAN!

INTERIOR ART FROM VENOM #1





INTERVIEW WITH *VENOM*

WRITER DONNY CATES & ARTIST RYAN STEGMAN!

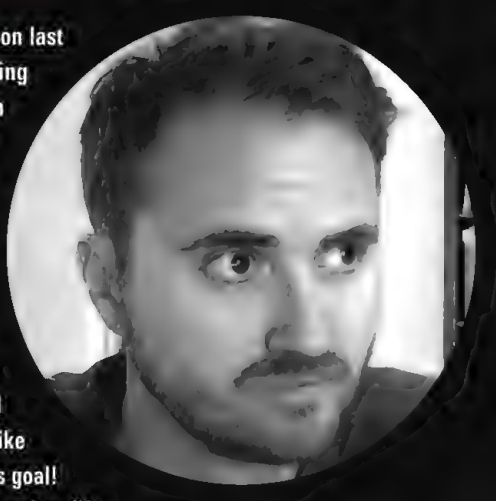
What were the challenges of creating a new Venom story, particularly for a character that has 30 years of history?

DONNY CATES: Well, first let's backtrack a bit. I started reading Venom comics when I was THREE years old. It was one of the first comics I ever read (one of the first things I EVER read, actually) and it captured my imagination instantly. I'm 33 now, and Ryan and I are launching this new Venom series in May with the character's 30th anniversary! So, add that all up, and it means I've been hanging out with this slobbering weirdo from his first appearance on. So, suffice to say, it's an incredible honor to be manning the ship at this amazing point in his history. To answer your question, one of the greatest gifts that this character has given Ryan and I, is that SO MUCH of their origin of both Brock and the symbiote, are relatively blank slates. We know a little bit about both of them, and a lot about them together, but we'll be diving DEEP into the mythology of the symbiote, and of Eddie Brock himself, in the course of our run. Where did they come from? Who are they? How did they get here? And why do they need each other so much? Along the way, we'll introduce some INSANE new villains, some new (and old!) supporting characters, and, hopefully, remind readers why they should not only love this incredible character...but maybe fear *them* as well.

How does this story impact the larger Marvel Universe?

DONNY: In a BIG bad way. Anyone who picks up our first issue will see that we are taking the story of Eddie Brock and his fanged friend to some rather EPIC new heights. This is a story with stakes that reach every single corner of the Marvel Universe, and one that only VENOM can solve. Our marching orders on this book were, "Go big, go crazy" and that's just what we intend to do. Our first arc, which is entitled "REX" is the biggest, wildest and most terrifying Venom story ever told. And I promise you, we're just getting started.

Tell us your most memorable moment while working for Marvel Comics.



DONNY: Getting the call to do THANOS at Emerald City Comic Con last year. It was a moment I'll never forget. I was standing in the pouring rain because I couldn't get a signal on the show floor, and Jordan D. White (whom I used to intern for) called me and offered me my first real Marvel job. And it was on a book, and a character that I have always loved. My next favorite moment at Marvel? Well, it comes out in May, it's drawn by the incredible Ryan Stegman, and if I were you, I wouldn't miss it!

RYAN STEGMAN: My wife had just delivered our first child, Oliver, who is now 6. After things had calmed down and we were sitting around admiring our new baby, I checked my email, like a bad dad. I had an message from then Editor Steve Wacker asking me if I'd like to draw an issue of AMAZING SPIDER-MAN (#665). This was my life's goal! It was unbelievable, and that will go down as probably the greatest day of my life.

HUNT FOR WOLVERINE

GET READY FOR THE RETURN OF WOLVERINE!

The mystery begins this April in the HUNT FOR WOLVERINE #1 one-shot, and continues in May as the entire Marvel Universe enters the hunt! Each piece of the puzzle brings readers one step closer to the much-anticipated RETURN OF WOLVERINE!

A MESSAGE FROM THE WRITER OF HUNT FOR WOLVERINE #1, CHARLES SOULE!

"Steve McNiven and I took on the incredible task of killing Wolverine back in 2014 – it was one of my earliest projects at Marvel, and such a huge opportunity. Intimidating, tricky, all of that – but ultimately, I think we created a book (alongside Jay Leisten, Justin Ponsor and Chris Eliopolous) that we're all really proud of. There's really only one project that could top it – being part of the story that brings Logan back! THE HUNT FOR WOLVERINE is just the opening chapters of a mystery that will reach all sorts of cool hidden corners of the Marvel Universe, and will tell a story that will hopefully have us looking at Logan in an entirely new way. I'm really looking forward to seeing how fans start to put the pieces together. There's a big payoff coming down the road, and all the interlocking parts of THE HUNT FOR WOLVERINE build to it. The more you read, the more clues you get. It's really fun – especially since I have a bit of a reputation in X-continuity for knocking off beloved mutants. This time, it's nice to be part of bringing someone back!"

JAVIER GARRÓN

discusses his work on SECRET WARRIORS

"SECRET WARRIORS is a war comic, a black-ops story, a super hero Marvel epic and a small intimate dramedy, all at once. A fine mixture of genres that allowed me to go wild on so many different levels."

"I've gotten the chance to draw large groups of characters before, in events like BLACK VORTEX, DEATH OF X or INHUMANS VS X-MEN, but those were bigger events with lots of characters involved and not a particular set of heroes who form one single group and whose misadventures we follow. ***Characters are people, fictional people but people nonetheless.*** And for me at least, drawing is getting to know them. The more pages you spend with them, the more you get comfortable with them, the more you're used to the other person's peculiarities, and thus the better you can portray their personalities in a graphic way, through body language and art direction."

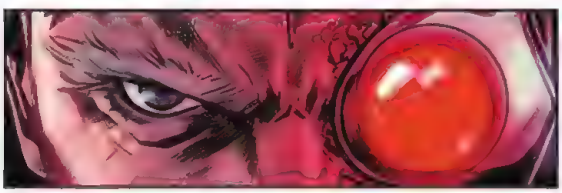
MARCO CHECCHETTO

takes aim at
OLD MAN HAWKEYE



"My favorite part of OLD MAN HAWKEYE is absolutely the concept of the series. It's a long story of twelve issues set before the events of the original Mark Millar and Steve McNiven OLD MAN LOGAN. Marvel asked me to invent new designs for new characters and backgrounds. I really like the work of concept artists; it's fun and I like being able to contribute to the creative process of a series by giving something more

"OLD MAN HAWKEYE has something different from my other projects: the violence. I like to draw these bad characters and show how they can be deadly. *I love the dark atmospheres and tormented characters.*"

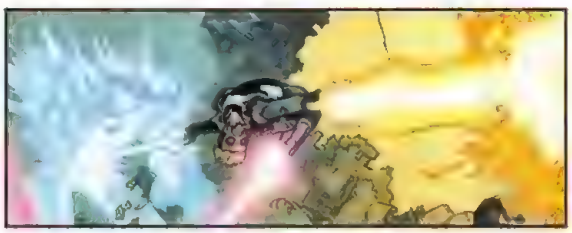
AARON KUDER

opens up on INFINITY COUNTDOWN

"So far every scene I've drawn [in INFINITY COUNTDOWN] is complete mayhem. Every time I get a script, there is always some point where I laugh out loud and think how bonkers it is. It's just fun."

"INFINITY COUNTDOWN does an amazing job of balancing serious heart-pounding action with levity and some pretty great flawed characters. *Good stories usually have two of these, great ones have all three.*"



"For this project I've been pushing myself to work more with brush (vs. tech pens) and incorporate ink washes into my work. It's hard to convey to people how 'freeing' it feels to work with brush more. Often when an artist draws preliminary roughs for the story, those roughs can convey the artist's intent better than a finished piece. I feel like working with brush, I'm able to include more of my intent in the final page."

PEPE LARRAZ

talks AVENGERS: NO SURRENDER

"[In AVENGERS: NO SURRENDER], *we were doing something that would make the foundations of the future Avengers' adventures.* I felt like the child that was suddenly seated at the grown-up table!"

"I think the enormous amount of characters per page [in NO SURRENDER] has made me focus on the essentials of the characters: the way they move, the silhouette. Also I started to work with a bit more of a loose brush stroke, in a search for a more expressive style. In the pages of NO SURRENDER we needed to establish simultaneous actions in different locations and time frames, and that circumstance made me pay attention to the scenarios and to work more on the lighting of the scenes."

PENCILED BY JOHN BYRNE, JACK KIRBY & RON WILSON
COVER BY JOHN BYRNE

ON SALE AUGUST 2018

It was the world's greatest comic magazine - again! Not since the days of Stan Lee and Jack Kirby had a creator so perfectly captured the intense mood, cosmic style and classic sense of adventure of Marvel's First Family. Fresh off an earth-shattering and reputation-making run as penciler on UNCANNY X-MEN, John Byrne proved his writing talent was every bit the equal of his art as he pulled double duty on FANTASTIC FOUR, launching Reed, Sue, Ben and Johnny into realms of imagination and wonder into which few creators before had dared to travel. From the four corners of the globe to the farthest reaches of space to the deepest depths of the Negative Zone, the FF face off against foes old and new - including the Dr. Doom, Galactus and Annihilus! Plus: The FF aid the Inhumans, bid farewell to the Baxter Building, don new costumes and celebrate their 20th anniversary in style as Byrne reminds us all there's a family at the heart of this team of adventurers! Collecting MARVEL TEAM-UP (1972) #61-62; MARVEL TWO-IN-ONE #50; FANTASTIC FOUR (1961) #215-218, #220-221, #232-262 and ANNUAL #17; PETER PARKER, THE SPECTACULAR SPIDER-MAN (1976) #42; AVENGERS (1963) #233; THING (1983) #2; and ALPHA FLIGHT (1983) #4.

WRITTEN BY STAN LEE & JOHN BYRNE
PENCILED BY JACK KIRBY, JOHN BUSCEMA & JOHN BYRNE
COVER BY ALEX ROSS

ON SALE AUGUST 2018

The Fantastic Four take on Galactus in one cosmically oversized hardcover! First, Stan Lee and Jack Kirby introduce the World-Eater and his enigmatic herald, the Silver Surfer, as they come for Earth in one of the greatest comic book sagas ever told! Next, Stan and Jack bring big G back — but what does he want this time? The answer lies in the Microverse! John Buscema's powerful pencils illustrate the arrival of new herald Gabriel the Air-Walker, signaling doom for the human race! Then, John Byrne takes over as Terrax leads the Devourer back to Earth — and the entire Marvel Universe pitches in to help the FF save the planet from becoming his next meal! With Kirby, Buscema and Byrne art showcased on enormous pages, Galactus has never looked bigger — or better! Collecting FANTASTIC FOUR (1961) #48-50, #74-77, #120-123 and #242-244.

ANT-MAN: ASTONISHING ORIGINS TPB

WRITTEN BY TOM DEFALCO WITH NICK SPENCER
PENCILED BY HORACIO DOMINGUES
WITH RAMON ROSANAS
COVER BY JULIAN TOTINO TEDESCO

ON SALE JUNE 2018

Legendary writer Tom DeFalco and acclaimed artist Horacio Domingues bring you the origin of Ant-Man! Hank Pym has had a life full of adventure and success, failure and humiliation. He's been known by many names, and played many parts: scientist, super hero, flawed husband. What demons drive a man like Hank Pym? And how did he begin his heroic career? Discover the story of the man behind the myth, and the fears and paranoia that propel him to great heights — and dark depths! Plus: Hank's successor as Ant-Man, Scott Lang, steps into the spotlight in ANT-MAN (2015) #1! He's never exactly been the world's best super hero — heck, most people don't even think he's been the best Ant-Man. But when Lang gets a once-in-a-lifetime opportunity, it may be the start of an astonishing future!

DAKOTA NORTH: DESIGN FOR DYING TPB

WRITTEN BY MARTHA THOMASES, JIM OWSLEY, TERRY AUSTIN, DWIGHT JON ZIMMERMAN, ED BRUBAKER & GREG RUCKA

PENCILED BY TONY SALMONS, STEVE GEIGER, WHILCE PORTACIO, AMANDA CONNER & MICHAEL LARK

COVER BY TONY SALMONS

She's the Marvel Universe's most stylish detective! Dakota North is smart, tough and no-nonsense, and if you have a problem, she'll solve it. And her business turns into a family affair when her father and brother become embroiled in a mystery that takes Dakota all the way to Europe! Meanwhile, the knife-wielding Slasher is targeting supermodels — and next on the list is Mary Jane Watson. But the killer didn't reckon on a Spider-Man/Dakota North team-up! Plus: Dakota helps the Wasp fell a giant, and risks her life alongside Daredevil and Luke Cage to keep an innocent man off of death row. But what bizarre crime could unite Dakota North with Power Pack and the Punisher? Collecting DAKOTA NORTH #1-5, WEB OF SPIDER-MAN (1985) #37, POWER PACK (1984) #46, DAREDEVIL (1998) #107-110 and material from MARVEL SUPER-HEROES (1990) #3.
